The **Careers Policy** is on the school website under Careers and outlines what students' entitlement is and the Careers support offered. The **Careers Plan** shows what activities during the academic year your son or daughter will access.

Year 11 - All students are given a Careers guidance interview and typed summary of the meeting.

Parents and Carers are welcome to attend any interviews.

The Careers department has purchased various careers related software which students can access at school or home. The packages include:
