Dear Stakeholder,

The Polesworth School is seeking to undertake a Consultation to increase the published admission number and formally recognise the Year 7 annual intake as 240 rather than 224 with effect from September 2020.

Please note that there is no substantive change to the overall size of the school. In addition the admission arrangements remain unchanged.

This consultation serves two purposes:

- Firstly, it simply formalises what has happened informally for a number of years in that we take 240 students in Year 7 rather than the 224 which is our PAN (Published Admission Number).
- Secondly, the formal recognition of a PAN of 240 removes administrative barriers to The Polesworth School being able to secure funds for further school improvement.

This Consultation will last for a period of four weeks from Friday 8th June to Friday 6th July and will involve relevant stakeholders having the opportunity to respond. Stakeholders include staff, parents, governors, local primary schools, local community members, Warwickshire LA, Staffordshire LA and the local councillors.

Responses can be sent to Nicola Holland (Head's PA) at n.holland@thepolesworthschool.com and via the online facility at AskWarwickshire.

Yours faithfully,

Maura Favell
Headteacher
