The Polesworth School ENSURING EXCELLENCE

---

Dear All

The beginning of this academic year is a real mix of emotions. Our school has suffered a tragic loss with the unexpected death of Mrs Emma Bennett but the avalanche of warmth, care and fondness that has emerged from our community is overwhelming.

Emma was held in such esteem and was loved and trusted by so many. Memories of her have been pouring in and it is brilliant that key themes are emerging such as her love of life, her infectious laugh and sense of humour and her mischievous nature.

The Polesworth School is definitely worse off for the loss of this lady. Emma's funeral will take place on Friday 13th September at 2.30 pm at Lichfield Crematorium in Fradley. The Polesworth School will be closed on this date as a mark of respect to Emma and to allow staff, students, parents and members of the community to attend should they wish to.

I want to thank students, parents and all members of our community for their care and support at this very sad time. I will ensure that all messages of condolence are passed onto Emma's family.

Rest in Peace Emma. We miss you!
