Know, understand and demonstrate how to create and / or construct a character / role / lighting design / sound design / costume / set / puppet. 3. Know and demonstrate understanding of theatrical aims practically. 4. Know, understand and demonstrate the process of devising and creating a drama. 5. Demonstrate development in chosen practical skill including application of all 6 key areas. 6. Demonstrate an ability to analyse and evaluate the work of the group and individual skill in process and performance. 	<p>Please talk to your child about what they are studying in drama and what their chosen pathway is. If they have chosen a performance route, please help them by reading the text and getting them to recite without their script. Watching recorded or live theatre will help develop their ability to analyse and evaluate theatre productions and the work of different practitioners. Work can be accessed via the class TEAMS page. Any coursework or revision material will be posted on this page and can be accessed at home.</p>
