

Subject	Year 11 Core Knowledge – Autumn/Spring/Summer term	How to support students' learning
Music	<p>Component 1 and 2 –</p> <ol style="list-style-type: none"> 1. Describe how a range of styles and techniques are used in different genres of music. 2. Demonstrate a competent use of different musical creation techniques and resources that support creative choices. 3. Demonstrate a competent use of music theory and appreciation skills that partly informs creative choices. Show an effective understanding of personal and professional skills for the music industry. 4. Explain current strengths and weaknesses and present a detailed plan for the development of these skills. 5. Demonstrate a competent application of techniques and skills required to develop musically. 	<p>Encourage your child to perform their pieces at home. Ask questions about what they have done in lessons. Students should be encouraged to listen to various styles at home and be exposed to live music if possible. Specialist instrumental lessons are a great to students studying music as an option. If you are interested in receiving information about these, please email s.glover@thepolesworthschool.com</p> <p>Any composition tasks for their coursework will be accessible at home. Each student has an individual login and username. Please have a listen to their work at home.</p>
