Dear Parents/Carers

Re: School Uniform Update

I am writing to update you on a change to our Uniform Policy that will be in affect after the half term break.

From Monday 1st June students will now have the option to wear black tailored school shorts. Examples of school permitted shorts are available on the Anglia Sports and Schoolwear website (a link can be found on The Polesworth School website), however, other suppliers are available.

No other styles of shorts or colours are permitted. PE shorts are not a replacement for optional tailored shorts and must not be worn outside of PE lessons. Socks must be black with no logos.

For further information please find copies of the updated school uniform policy and visual guide attached.

From Monday 1st June the school will also make school blazers temporarily optional for the remainder of the summer term. Please note that this is a temporary adjustment, and students will be required to wear blazers from September 2026 onwards.

In the meantime, we wish you and your families a restful half term break.

Yours sincerely

Mrs M Favell
Headteacher
